Homecoming Week

Marianne

The 1979 Homecoming Week at CCHS started off with the cheerleaders selling homecoming ribbons. Everybody had to buy a ribbon to show our Tigers that we were boosting them on to victory the *big* night, October 6. As the week progressed, the halls were turned into scenes from the "fifties," and scenes from the infirmary at Dallas Co. High the day after our Tigers had given them a good licking. On Friday, everybody wore a Jersey for our traditional "jersey day." However, this year something extra was added to our jerseys — hats!

Thursday night's bonfire was the most exciting one held at CCHS for many years. Friday morning a special assembly was held to announce our 1979 Homecoming Queen and her Court. These were Lissa Jones, Queen, Tammy Patterson, Sr. Maid, Melanie Headley, Jr. Maid, Sandra Meyerholt, Soph. Maid, and Doreen Motley, Fresh. Maid. Friday afternoon's pep rally was the "wild" scene of the final fight between classes for the School Spirit Award. Activities included in the spirit competition were: class representation at the bonfire, class-decorated doors, most spirit shown at the pep rally, and the best class float in the annual Homecoming parade held after school Friday. The winner of the School Spirit Award was the Senior Class.

Excitement began to peak as the time for the clash between the Tigers and the Hornets began to draw nearer. Our Tigers played one of the best games of the season, but were unable to pull off the much desired victory. The band performed a beautiful half-time show, and the memorable week ended with our homecoming dance held in the gym after the game.

Don,

I don't know what to say. I know I like you in a very special way. I don't know for sure if I love you but I think I do. I've always enjoyed being with you and always will. There will always be a place in my heart for you and no one else can ever enter in that place. No one else will mean to me what you mean to me. You are very special to me. You make me feel so good. You pick me up when I'm down and I hope I can pick you up when you need it. You're always there and I hope I can always be there for you. I don't know what I would do without you. I'll never forget the prom. I had such a good time. Working on it was fun, too. Remember how the ceiling did? It was a mess! But it looked good after we got finished. This year has been the best year I've had in school because you shared it with me. No matter what happens, I'll always love you in a way that I can't ever love anyone else. (The page seems so big but there's still not enough room to write all of what I feel). I want to share everything with you. I can't share what I share with you with anyone else. I hope there's a place for me in your heart that I can call my own. It's so good to know that you are there anytime I need you. It would be great if we could share the rest of our lifes together, wouldn't it. Remember band camp? We stayed inside in the cool while y'all were outside working. We had fun though. You were always the loudest at the football games esp. when I was right infront of you (Ha, Ha). This year has been the best. God Bless you in everything you do and you'll go far in life.

Love,
Lisa Carter
